J-term 2019

ITALY – Florence: Italian Language and Culture

Through this beginning Italian language and culture course, you can live and learn in the birthplace of the Renaissance. The epicenter for political thought, art and culture throughout the Middle Ages, Florence was home to some of the most recognizable thinkers and artists of the day including Machiavelli, Michelangelo and da Vinci. Wonder aimlessly through the narrow streets and broad piazzas of this glorious city. Explore leather markets under the back drop of the Duomo. Taste the local Tuscan foods and visit legendary museums and galleries such as the Uffizi and the Accademia. Enjoy a cappuccino while practicing your Italian with the locals and gain a new appreciation for life that only cultural immersion can reveal.
