J-term 2019

SPAIN - Seville: Spanish Language and Culture

Through this beginning Spanish language and culture course, discover the origins of New World exploration and the influence of Spain's imperial power on the flowered streets of Seville. Contemplate the role of religion, politics, art and music on Andalusian culture while studying the world's third most spoken language. Enjoy tapas in the former Jewish quarter, gawk at the size of Spain's largest gothic cathedral and feel the heart-stomping rhythm of a Flamenco performance. Read the royal correspondence from the likes of Columbus, Cortes and Pizarro at the Archivo General de Indias before taking an afternoon stroll in the Maria Luisa Park, home to the 1929 Ibero-American Exposition. The desire to understand more will inspire your language learning as you seek to connect with the people whose ancestors once held dominion over an empire where the sun never set.

Program overview

Dates:	Jan. 2 – Jan. 23, 2019
